**SexCoachFall 2013**

## 2014 Spring Enrollment Dates TBA

This training program enables students to achieve basic to advanced levels of mastery. This intensive trimester program of 500 hours prepares the student through (a) self- exploration, (b) live group experience, and (c) virtual adult experiential learning modalities to reach a level of proven competency and understanding.

This training program is rigorous and is divided into four (4) distinct phases over a single trimester. Students engage in self-study at home before attending a ten-day live intensive training. These two phases are followed by home study and the delivery of a practicum to the faculty prior to the end of the trimester (6-8- weeks). The final phase for home study in Sex Education is comprised of readings, DVDs and lectures on a variety of topics, leading to an additional Certificate in Sex Education.

Tuition for the Sex Coaching Certificate Program is \$7,150, paid to IASHS. Applications must be submitted to the IASHS Registrar's office. NO REFUNDS WILL BE ISSUED ONCE THE STUDENT BEGINS THE ONLINE HOME STUDY.

Taught by Dr. Patti Britton, author of *The Art of Sex Coaching*, and Dr. Robert Dunlap. For more information, download the brochure, and see: **Sex Coach U**
